

Horace Mann®

What's Next...Retirement Planning

by Joel Craven, Owner, Astraios Financial at Horace Mann

Horace Mann, an AWSA Corporate Partner, has volunteered to provide complimentary retirement seminars for AWSA members and their guests.

These seminars will provide information on the three legs of a solid retirement: the WI Retirement System, Social Security and personal savings (e.g. Roth, 403(b) plans, etc.). The sessions will also cover what educators should know about putting savings to good use and public service loan forgiveness.

Come with your questions and leave better prepared for your future.
