

School Leadership Planning Tool:

A new partnership between **AWSA** & **School Perceptions**!

Define the problem with **School Perceptions**

Solve the problem with **AWSA**

The Association of Wisconsin School Administrators has in-depth academies and coaching support for your priority professional growth areas.

[Click here](#) to see which academy is right for you.

How it works:

1. The research-based survey is preprogrammed and ready for use.

2. Self-administrate or have School Perceptions launch the survey for you.

3. Access and analyze your results and comparisons.

4. Build a plan on your results with AWSA.
